Terms and conditions: For a limited time, receive a fifteen percent (15%) discount off the list price of eligible radiochemicals, scintillation cocktails, vials, caps and accessories using code BLACK. This offer is valid for customers in Austria, Belgium, Denmark, Finland, France, Germany, Iceland, Ireland, Italy, Luxembourg, Netherlands, Norway, Sweden, Switzerland, and the United Kingdom. Offer is only valid for direct B2B transactions. The discount applies only to eligible items, not the entire order (unless the entire order consists of eligible items). This promotion cannot be combined with other discounts or offers, including without limitation, other price discounts, quotations, volume purchase agreements, university programs, standing order discounts or other contract pricing, and cannot be applied to existing, pending, or past orders. Customers are responsible for all applicable charges, taxes, and shipping. Offer void where prohibited, licensed, or restricted by federal, state, provincial, or local laws or regulation or agency/institutional policy. Offer is expressly not valid in any country, state, province, or locality that requires prior registration of such offer. All information submitted to Revvity will be treated in accordance with Revvity's privacy policy, available at https://www.revvity.com/policies/website-privacy-notice. Orders must be submitted by November 30, 2026, at 11:59 PM ET. To the extent permitted by applicable law, Revvity reserves the right to modify or cancel this promotion at any time. Revvity has the sole discretion to determine eligibility and may request proof of eligibility.
